Do you know a Med Partners *Souldier*?

A **Souldier** is a stakeholder that goes above and beyond to create a positive impact on colleagues, residents, and staff members. This is to honor and acknowledge a stakeholder's commitment to a positive, above-and-beyond attitude.

Nominations for a **Souldier** are to be sent to Melissa Audy, and will be confirmed via the Cheer Committee. **Souldiers** will be announced during the monthly *Cheer Club* Teams meeting on the third Friday of every month.

PartnerPerks

Double your summer fun this year with some awesome discounts available via SHC Healthcare's PartnerPerks discount program. Get up to 20% off Choice Hotels, up to 30% off base rates for Budget or Avis car rental, or get steep discounts on various theme parks around the country. To access, sign into Ultipro at hris.shccs.com, scroll to the bottom of the page and click on Discounts. From there you can activate your account or login to your account for PartnerPerks. Once inside, you can search for specific deals or browse around to see what you find. *Happy Travels!*

Relaxing has never been easier... ohhhmmm

The Culture of Joy Committee is excited to announce a continuance of the reimbursement program for your relaxation needs! Due to popularity, we are going to continue to offer a reimbursement of \$20/month for the Calm app, Headspace app, Audible app or toward a gym membership. Can't decide on just one? You don't have to! You can purchase more than one of the above; however, you will only receive the maximum \$20/month total. This reimbursement is a "taxable" item which means it will be added to your salary/payroll and noted on your W2. Steps for reimbursement below:

- Purchase the app of your choice either on a monthly basis or annual purchase
- Secure your paid receipt
- Submit your paid receipt (in pdf format if possible) either on a quarterly basis or if you purchased annually submit the annual paid receipt to Melissa Audy for our tracking and records.
- Each quarter we will process and submit all approved receipts to payroll for your reimbursement.
